Outsourcing Done Right!

WITH STRATEGIC PARTNERSHIPS, SOURCEDESK GLOBAL CAN HELP YOU

DEDICATED RESOURCE

Hire dedicated IT professionals based on the level of expertise and experience you require.

PROJECT OUTSOURCING

Skilled professionals delivering high-quality end results.

FREELANCERS

Independent talents that work in new ways and environments.

CONSULTATION

Dedicated IT resources to discover and deploy the best solutions addressing complex business challenges.

ONSITE DEVELOPMENT

Onsite development team offering end-to-end IT support, competitor analysis, research, and more.

OFFSHORE DEVELOPMENT

Focus on core business strategies by outsourcing offshore development services.

EMPLOYEE SALARIES

IN-HOUSE IT PROFESSIONAL **SOURCEDESK GLOBAL**

Salaried IT professionals average \$40,000 - \$110,000 annually. An outsourced IT professional will work at competitive prices to lower your employee administrative costs.

EMPLOYEE BENEFITS

Benefits

Contract workers, such as Sourcedesk Global, don't require office space, computer hardware/software, health insurance, sick leaves, vacation time, retirement benefits or payroll taxes.

COST BENEFIT

60%

The cost-benefit analysis of outsourced IT professionals vs in-house staff estimates a savings of approximately 60% in monthly employee costs.
